On last Sunday night the City-Wide Usher Board convened with the St. Paul M. B. Church. Prof. S. D. Lucas is our president. Bro. Wright Smith is our vice president. On that night we gave President Lucas an appreciation for leading us and doing the many good things he has done for the Usher Board. President Lucas was placed in a very gorgeous decorated looking chair, decorated by Sister Clara Speight, who is (and has been for many years) the president of the Usher Board of St. Paul Church. President Lucas was not allowed to say a word. The president who organized the City-Wide Usher Board was present, and was asked to preside, and he did quite efficiently. We had more than a capacity crowd that night. Everyone really enjoyed the program and the lovely singing. Our hats are off to our Usher Board president, Sister Clara Speights for the way she and her ushers were dressed, and their lovely way of seating the people. The ushers who served that night with Mrs. Speights were as follows: Sister Bobbie Nell Lewis, Sister Iola Hooker, Bro. Nazaree Lewis, Jr. and Bro. James Allen. The organizer of the City-Wide Usher Board was President Young, who presided over the program. The next meeting of the City-Wide group will be held at New Hope M. B. Church in Hattaham, Miss.

permitting segregation of the races any further. It ordered that arrangements be made with all deliberate speed to admit children on a racially nondiscriminatory basis.

After today's final decision the School Board's attorney, Gerard Rault, said that it would be appealed. Mr. Rault noted that the order set no definite date for the schools to be integrated.

The case has been appealed up and down the court system to the United States Supreme Court on technical grounds. In each case the ruling has been in favor of Negro plaintiffs seeking desegregation.

Mr. Rault said the School Board would appeal on the basis of Judge Wright's recent decision declaring that Act 319 of the 1956 Louisiana Legislature was unconstitutional.

The act empowers a committee of the Legislature to classify schools as white or Negro.

The school board has thirty days in which to appeal Judge Wright's ruling and forty days to file the record with the United States Court of Appeals.
